

PATERSON GOLF

ICON

Paterson (Scotland) Ltd. has been supplying high quality, personalised products to golf clubs and resorts throughout the UK and Europe for over thirty years.

We design, import and manufacture an extensive range of headwear, luggage, towels, headcovers and accessories. Our skilled and experienced staff operate from our factory, warehouse and offices in Glasgow which extend to over 7,500 square feet. We utilise the latest embroidery and printing machines to ensure our quality products are customized to an exacting standard.

Since 1985 we have built our company's reputation on quality and reliability. We take pride in supplying orders to our customers in manageable quantities and delivering on time.

We look forward to being of service.
