

PATERSON GOLF

2024-2025

Paterson (Scotland) Ltd. has been supplying high quality, personalised products to golf clubs and resorts throughout the UK and Europe for over thirty five years.

We design, import and manufacture an extensive range of headwear, luggage, towels, headcovers and accessories. Our skilled and experienced staff operate from our factory, warehouse and offices in Glasgow which extend to over 7,500 square feet. We utilise the latest embroidery, printing and engraving machines to ensure our quality products are customized to an exacting standard.

Since 1985 we have built our company's reputation on quality and reliability. We take pride in supplying orders to our customers in manageable quantities and delivering on time. We are suppliers to every Open Championship venue, past and present.

We look forward to being of service.
